

Edgio Appoints Three New Board Members

September 7, 2022

Company expands leadership depth with strategic scaled operations and marketing additions

TEMPE, Ariz.--(BUSINESS WIRE)-- Edgio, Inc. (Nasdaq: [EGIO](#)), the platform of choice to power unmatched speed, security and simplicity at the edge, today announced the appointment of [new board members](#). Joining the Edgio Board of Directors are Dianne Ledingham, Reed Rayman and E-Fei Wang to support the company's ongoing strategic planning, positioning and governance.

"We continue to strengthen the company's strategic and operational leadership with these new board appointments," said Bob Lyons, Edgio CEO. "This is a meaningful step toward reshaping Edgio's Board of Directors to add the capabilities required to support an innovative growth and profitability-oriented technology company."

Dianne Ledingham, a seasoned technology executive leader, joins the Edgio board with more than 30 years of experience helping companies unlock enterprise value as a senior partner in Bain's Customer Strategy and Marketing Technology and Cloud Services (TCS) Practices. Having led some of Bain's most significant TCS client relationships, she has worked with organizations to deliver outsized growth, successful acquisition and merger integrations, and transformations. Dianne also founded Bain's Global Sales and Channel Excellence Practice as part of the Customer Practice, where she led the group for seven years, helping companies drive growth across industries.

"I'm honored to join Edgio at such a pivotal time in its growth," said Ledingham. "I've been impressed with its client-centric approach to continuous improvement and steadfast commitment to transforming how users consume and experience events, entertainment, education and shopping. I look forward to working with its leadership, and helping the organization expand its capabilities and scale."

Also joining the board are Reed Rayman and E-Fei Wang from Apollo Global Management.

"We are exceedingly proud of the progress that Edgio has made, pacing ahead of plan and realizing opportunities to drive client and shareholder value," said Rayman, a Partner at Apollo. "We're pleased to support the next phase of the company's growth, and our participation at this level demonstrates Apollo's belief in and commitment to Edgio's future."
